PRAKASH LAMICHHANE

Research Officer/Data Ananlyst/Ecologist

Email: forester.prakash@gmail.com | Phone: +977-9845228896 | GitHub: foresterprakash | LinkedIn: Prakash-Lamichhane | ORCID: 0000-0002-0355-0222

About Myself

I am Prakash Lamichhane, a Research Officer, Data Analyst, and Ecologist with a strong educational background in Forestry and Landscape Ecology. My career spans practical experience in forest management and carbon monitoring, driven by a passion for climate science and environmental conservation efforts. I had a significant growth on data analysis and statistical application in any sector data with mastering in MS Excel and R programming in recent years. I am particularly interested in advancing my academic growth in data science and statistical analysis using R programming. I am looking for an opportunity to work with data science enthusiastic group and committed to contribute towards its growing applicability in biological science.

Education

Duration	Course	University	Country
2017 - 2019	M.Sc. Landscape Ecology and Nature Conservation	University of Greifswald	Germany
2010 - 2013	B.Sc. Forestry	Tribhuvan University	Nepal
2007 - 2009	Technical Level in Forestry (I.Sc.)	Tribhuvan University	Nepal

Work Experiences

Year	Affiliation
2017 - 2019	M.Sc. Landscape Ecology and Nature Conservation, Greifswald University
2019 - 2023	Assistant Research Officer, Forest Survey and Carbon Monitoring Section under FRTC
2023 - Present	Research Officer, Climate Change Management Division, MOFE
Part-time	Lecturer, Natural Resource Economics, Kathmandu Forestry College

Major Skills

- National Forest data analysis and Reporting
- Mastering MS. Excel and R programming
- Carbon accounting and MRV process
- Uncertainty Estimation and Sensitivity Analysis
- Data Science with Python
- GIS Tools (QGIS, ARCGIS, Google Earth Engine etc.)
- Integrated Development Environments (IDEs)(i.e., R Studio, VS code, Pycharm, Jupyter Notebook, Collect Earth Online etc.).

Major Job-Related Trainings as Trainee

Duration	Entitled	Organizers	Reference
23-27 May, 2022	Training on Unbiased Area Estimation and Uncertainty Estimation for Forest Activity Data	USAID,USFS,SilvaCarbon	Crystal Westespad
22- 26 August, 2022	Development of National Landcover Monitoring System for Nepal	International Center for Integrated Mountain Development (ICIMOD) SERVIR-HKH initiative	kabir Uddin
10 October - 11 November, 2022	On the Job training on Forest Carbon Stock Measurement using Earth Observation Data	International Center for Integrated Mountain Development (ICIMOD) SERVIR-HKH initiative	Rajesh Bahadur Thapa
12 May - 13 August 2023	Data Science with Python	Broadways Infosys Pvt.Ltd.	Uttam Adhikari
21- 25 January 2024	FCPF and ART TREES: Technical Training Workshop on REDD+ Emission Reduction Measurement, Reporting and Verification (30hours)	REDD + Implementation center,SilvaCarbon, FCPF, The WorldBank Group Nepal	German Obando - Vargas
19 Aug - 6 September	Climate Action and Support Transparency Training(CASTT) Programme on GHGs in Seoul,Republic of Korea	**UNFCCC** and Green House Gas Inventory and Research Center, South Korea	Jeong Eunhae,President, GIR Korea

Major Job-Related Trainings as Trainer

Duration	Entitled	Organization
Regular From 2022	MS Excel and R Programming Trainer in	Broadways Infosys
14 - 21 Aug, 2023	Training on Python Programming	Forest Research and TRaining Center
26 Sept - 5 Oct, 2023	Statistical Data Analysis and Forest Mapping	Forest Research and Training Center
4-13 Feb, 2024	Enhancing Capacity on R Programming for Data Analysis and Carbon Accounting	REDD+ Implementation center

Workshop and Seminar

1. Cross Country knowledge Exchange on REDD plus program in Cambodia dated from 12/06/2022 to 19/06/2022 Phnom Penn, Siem Reip and Koh Kong province of Cambodia (ORAL PRESENTATION)
2. South-South Knowledge Exchange on Measurement, Monitoring, Reporting and Verification systems, FCPF CF ERPA Implementation dated from 12/12/2022 – 18/12/2022 – Maputo, Mozambique.
3. Hands-on training workshop on transitioning to the ETF, including the preparation of the Biennial Transparency Report for Asia Region dated from 12/03/2024 to 15/03/2024 Singapore.
4. UN Climate Conference Bonn, Germany dated from 03/06/2024 to 09/06/2024

Research Experience

1. Preparation of National Landcover monitoring System (NLCMS) using RandomForestClassifier.
2. FRTC, 2020, A study of Opportunities and Constraints for Development of Private forestry Model in Mid-Hill Region of Nepal (A case study from Kavre and Kaski district of Nepal), Forest Research and Training Centre (FRTC), Babarmahal, Kathmandu, Nepal. Unpublished
3. Preparation of Regional and National Forest Resource assessment (Involvement in field data collection, data analysis and report writing).
4. Involvement in generating activity data and emission factors for national emission reduction report for MRV purpose in coordination with FCPF and World Bank.
